

Module - Heat Related Illness Avoidance, Recognition, and Treatment

Overview

Students will become familiar with symptoms, treatments and avoidance of heat related illnesses.

Special thanks to the following:

Dr. Brent Ruby, Exercise Physiologist, University of Montana, Missoula, MT

Mike Alexander, Asst. Superintendent Pike Hot Shots

Dr. Joe Domitrovitch, Physiologist, MTDC, Missoula, MT

Ian Grob, Photographic Technologist, MTDC, Missoula, MT

Note about feedback/evaluations on this module.

This module was designed as a proof of concept for future modules in the hope of evolving toward a paperless fire refresher using current and emerging technology. The refresher team welcomes your comments and evaluations to provide a better product in the years ahead. This is your chance to make a contribution to that effort. Please take the 45 seconds to complete the evaluation at the end of the module, involve the class and take a consensus by hand vote on the questions. Use the link provided at the end of the module. Many thanks from the refresher team.
